

Subject : Maths Homework

Pupil _____

Form _____

Date:

Dear Parent / Guardian,

I am writing to inform you of homework set for your child in Maths this term. Homework will be set on a website called '**My Maths**'.

If your child does not have access to a computer or the internet, then we can give them a paper copy of the homework to take home.

This website has many benefits:

- Parents and pupils can track their progress and levels
- Pupils can give feedback to the teacher if they found a task difficult
- Homework can be repeated to improve their understanding
- Pupils can refer to the lessons on My Maths if they get stuck on homework
- Parents can check that homework has been completed

Pupils will receive extra merits for completing homework each week (up to 6 merits a week).

Prizes will be given at the end of term for pupils who complete most of the homework.

The instructions for logging onto the website are given on the back of this letter.

Yours sincerely

Head of Maths
Tunmarsh School

Tunmarsh School (PRU),

Using My Maths Website

Pupil: _____

Form : _____

Target Level / Grade _____

Target % score _____

Log on to the website www.mymaths.co.uk

First login: tunmarsh Password: wordsearch

Second login : _____ Password: _____ then click on 'VIEW'.

A list of Tasks will be shown and how many days they have left to complete them. These tasks will appear in RED if they are OVERDUE.

Click on '**My Results**' and you will see all the completed tasks with the % scores. Click on '**My Boosters**' and you will see other completed tasks.

Every pupil has a **TARGET Level** / Grade for this subject and a **TARGET % Score**. Their marks on My maths need to be **ABOVE** the target % score to achieve their target level.

Pupils can redo a task to improve their score.

Each task lists how many 'tries' the pupil has had. This helps teachers and parents to see if a pupil is struggling with a topic.

Please can you check your child's homework **every week** to ensure they have completed each task to the best of their ability.

Thank You for your support.
