A FOREWORD FROM OUR HEADTEACHER

As the summer term approaches I should like to thank all staff and students for their hard work this term. As usual it has been packed with great learning experiences.

I hope everyone has a restful break – but Year 11's keep on revising – remember our W.A.R countdown!

See you all on Monday 11th April

On Monday 22nd -Thursday 25th February, Adrian Wood and Charles Darko took part in the London Fire Brigade LIFE Course held at East Ham Fire Station.

Adrian and Charles were required to take part in various drills and exercises that gave them a real insight into the career of a Firefighter. They learnt how to effectively work with others and both clearly developed their leadership and teamwork skills throughout the four day course. Both boys received a folder containing all the achievements and certificates they had gained throughout the course.

Adrian was also nominated by the rest of the group as the most improved and helpful participant and was awarded an additional framed certificate, plus an invitation for him and his

family to attend a London Fire Brigade gala dinner being hosted by the commissioner of the Fire Service later this year.

Well done to you both. We are all very proud of your achievements.

new activities, as well as taking part in a social action project in the local community.

Students who are interested are invited to complete an application form to sign up for the programme. All interested year 11 students should speak to Claire Campbell-Jackson for more Information.

This term all Year 11 students have attended a NSC workshop informing them about a great opportunity taking place this Summer. NSC helps build skills for work and life, whilst taking on new challenges, developing experiences and meeting new people. Running during the summer holidays, the programme involves two 4 day residential placements staying away from home, trying

Easter Holiday dates The school will be closed to students from Friday 25th March until Friday 8th April 2016 for the Easter break. All students should return to school at 9am on Monday the 11th April 2016

Tunmarsh SchoolAttendance League Table

Position	Student	Class	Attendance %
1st	Joshua Batista	5B	100%
2nd	Sufyan Ahmed	5C	97%
3rd	Muhammed Ashmin	5A	96%
4th	Kyle Anderson	5C	91%
5th	Tamjid Ahmed	5A	90%
6th	Omaro Baiaha	3A	87%
7th	Louis Blackman	4A	85%
8th	Haris Ahmed	3A	84%
9th	Harry Coker	5A	79%
10th	Ty Collier	5D	71%

The PSHE department organised a food collection to support the Newham Food bank in their efforts to stamp out hunger in the borough. The response from students and staff was amazing and we managed to collect a substantial amount of food items. All food collected was kindly donated to the Bonny Downs Community Association on the 10th of February 2016.

“BDCA is a dynamic community-led organisation that has been serving the residents of the disadvantaged East Ham area in the London Borough of Newham since 1998.”

Our Outreach students are going on an End of Term Rewards trip to the Harry Potter Studio Tour. Students will be able to see where Harry Potter was filmed, as well as experience the film sets, see props from films and take part in some of the magic of Hogwarts, flying on a broomstick as well as driving a flying car.

This Term Jack Petchey Foundation awards go to:

Tyrese Edwards

Imran Hassan

Congratulations

 Tunmarsh News

On Wednesday 16th December 2015 we took a group of students; Shane, Jack, Tarandev, Adrian, Kyle A and Harvey. To Ripleys Believe it or Not! at The London Pavilion in Piccadilly Circus.

Ripley's Believe It or Not! London is home to an unbelievable collection of exhibits waiting to be discovered. As we wandered through the galleries, we were able to see artefacts that included a Christmas card to Prince Charles from Prince Philip, first edition books from Agatha Christie and original illustrations from Peter Pan. There were some excellent exhibits including various strange animals with multiple limbs and Haile Selassie's throne; Henry VIII's actual shoe; a real piece of the Berlin Wall, Amazonian shrunken heads; a knitted Ferrari; a chewing gum sculpture and many many more. If it's truly unbelievable, it's in here!

You will find a collection of amazing art made of unusual materials ranging from Michelle Obama made from soda caps, Michael Jackson made of sweets, Kate Middleton made up of lipstick kisses to canvas and even incredible art made from toast!

Robert Ripley believed differences should be celebrated and among his travels he met with many remarkable people. One of Robert Ripley's most famous friends was a gentleman called Robert Wadlow who grew to 8ft 11 inches making him the tallest man who ever

lived! At the end of the visit we went to try the Impossible LaseRace which is an interactive experience, where visitors can jump, crawl and twist their way between the various laser beams. Points are awarded for speed, agility and success, with the very best competitors ranked on a daily honours board.
