A FOREWORD FROM OUR HEADTEACHER

Season's greetings !

As you can see from the newsletter this term has been a hive of activities and our students have done us proud! I would like to thank you all for the support that you give to the PRU. May this Christmas bring happiness , joy, peace and prosperity to you and your family. Let's look forward to an outstanding 2016!

My BNK Work Experience Week took place over 5 days from 30th November—4th December. The project required Year 9 & Year 10 students to work as part of a team; to develop a business and marketing plan. Students then had to identify products that they wanted to sell to customers at Queens Market on the final day of the placement. The boy's team won the business battle by making the most amount of profit on the goods sold at Queens Market, however the girls team made even more profit when we returned to school and managed to sell more items... All teams got to keep any profit they made after they had paid back the money they had been loaned to buy their products. Students said that they all really enjoyed the experience and were really happy with the money that they made... and got to keep!! Well done to everyone that took part.

Claire Campbell

Once a week, a group of students from Tunmarsh School attends the London Youth Rowing Club for practical lessons.

They are taught the skills and techniques that are required to be safe and confident on the water. This is taught in a safe environment in a practise pool before they go out in a 4/5 man competition rowing boat. They learn a lot about working as a team and listening to instructions, They also have a wonderful time

This is all done under the supervision of a qualified coach.

Katy Booth

Christmas Holiday dates The school will be closed to students from Monday 21st December until Friday 1st January 2016 for the Christmas break. All students should return to school at 9am on Monday the 4th January 2016

Tunmarsh News

London Dungeons.

On the 23rd October 2015, we took a group of students on an educational visit to The London Dungeons. This was a reward for the students who had obtained 90%+ for their attendance and behaviour over the half-term.

We took ten students; Adrian, Imran, Enam, Daniel O, Desmond, Tyrese, Kyle A, Frankie, Omaro and Lemar. The visit was a great success and it was lovely to spend time out of the school environment with the students doing something that was different from normal lessons.

It was fun to see the "big brave boys" being spooked (as were the adults that accompanied them!) and having such a great time.

After The London Dungeons, we all went for food and the students were on their best behaviour. It was an absolute pleasure and I look forward to future trips.

Katy Booth

Christmas lunch was enjoyed by both students and staff who ate together on Wednesday 9th December

Three special visitors arrived to share the occasion; Father Christmas and his 2 magical elves!

A great time was had by all.

Barclays Life Skills:

The Barclays Life-Skills workshop took place on 22/10/2015 and was an interactive workshop for all students focusing on how young people can develop their skills and qualities when planning for any future potential career opportunity. Students look part in interactive games and challenges that taught them, how to develop financial planning skills, develop skills required for business and future employment and how to budget and take control of their finances. Students seemed to really enjoy the workshop and it was great fun.

On the 24th of September, Outreach students visited the Museum of London. It was an enjoyable day out and students were able to learn a great deal about the history of London. After visiting the museum, we had the opportunity to walk down to St. Pauls Cathedral and along the river past the Tate Modern and Shakespeare's Globe Theatre.

This Term Jack Petchey
Foundation awards go to:

Tyrese Koroma

Enam Munseef

Congratulations

Tunmarsh School

Attendance League Table

Position	Student	Class	Attendance %
1st	Omaro Bajaha	3A	100 %
2nd	Louis Blackman	4A	100 %
3rd	Jack Douglas	3A	100 %
4th	Shane Fuller	5c	100 %
5th	Zahra Habib	4A	100 %
6th	Kyle Anderson	5C	90 %
7th	Imran Hassan	5B	90 %
8th	Grace Bankole	5A	80 %
9th	Ty Collier	5D	80 %
10th	Kyle Duvigneau	4A	80%
